Think about it.
Which European car
carries 8 people
in luxury (and in the
same direction)?

Like a rowing shell, the Peugeot 505 Series II Family Waggon is purpose built. It has the equipment level, style and comfort of the luxury 505 saloon. With the practicality of seats for 2, 3, 4, 5 or 8 passengers (and their luggage) all facing the same way. Looking ahead rather than behind.

An extended wheelbase provides generous legroom for everyone. Or a flat load area over two metres long.

Progressive rate coil springs and double-acting shock absorbers at the rear provide a smooth ride and secure handling. Fully laden or empty.

In the words of one commentator, "The Peugeot 505 Family Waggon is light years ahead of other people carriers in both primary and secondary safety. The real question is not whether you can afford to buy a Family Waggon, rather

whether you can afford not to."

In "The Thinking Man's Luxury Car Comparison," a leading motoring writer compares the cars you first thought of with the car you should have thought of first.

Write to Peugeot Cars, P.O. Box 59, Liverpool, NSW 2170 and we'll send you a copy, free. Peugeot 505 Series II Family Waggon. Think about it. We have.

Welcome Olympic!

On behalf of our Board - our supporters - our players and coaches - we welcome our friends and business partners here today to the St. George Stadium for the 1987 showdown. Both Clubs had a very bad start to the season in losing the first three games and collected their first points from each other when they played a 0-0 draw in the 4th round of the West End N.S.L. Since then some extraordinary happenings have marked the fortunes of the two clubs.

Sydney Olympic were taken over by Eddie Thomson, because of the demise of Sydney City, and since then Sydney Olympic has lost only a single game, collecting sixteen points from eleven games.

The fact of life is that both teams have capitalised on the departure of Sydney City - Olympic gaining Hooker and Saad and a couple of youth players, apart from the earlier signings of John Kosmina and Harper. St. George signed two experienced warriors in Steve O'Connor and Kevin Hagan.

So far this year Saints and Olympic have met five times in various competitions and it is strange to note that 3-1 was the order of the day, or 0-0. Olympic won in the early days with that result.

We played a 0-0 draw twice, winning one game on penalties 5-4 in the Beach Fashions Cup, and finally having a 3-1 victory in a friendly game.

Hopefully today the spectators will be presented with a great game! The result is definitely in the grasp of both teams because recently they have been playing great stuff.

At the moment Olympic are occupying a very respectable fourth place only due to their weaker goal difference but they are only one point behind Sydney Croatia the team that was regarded as definite at the beginning of the season. Today both teams can be regarded as Top 5 contenders with the winner here at the St. George Stadium getting much closer to the desired placing. At the same time the difference is so small between the second and ninth placed teams that two wins or two losses could change everything around.

Olympic has always been seen as one of the "big spenders" in the past, and they have bought quite a bit of talent as well, but for the first time in the history of the club they sold a player for a bigger amount of money than their own Coach, because the biggest transfer fee in Australian Soccer was when Olympic sold Tommy Docherty to Wolves. Chris Kalantzis went for four times the amount to Greece and it is a record which will probably remain untouched for years to come.

Today we expect a most thrilling game!

Olympic are expected to play with their best eleven because their struggling players with injury are now ready for this game.

YOUTH TEAM IMPRESSIVE

Last Saturday our Youth Team produced a most impressive result in winning 7-1 against Uruguay.

Talented youngster Zoran Ilic once again scored 3 goals making his total for the season now 23, and this is now another reason that he is getting closer and closer to making the first team squad. This weekend our team has a bye.

Pictured (L to R) Zoran Ilic, Paul Giezenkamp, John Filan, Zoran Naumovski, Steve Dimoudis and Robert Harmat. Steve was with the U 16 National Team in Canada.

The other five youngsters played in the Australian U 18 Competition and got to the final which they lost only 0-1.
